

## Disaster management about the Nankai Earthquakes after the 2011 off Pacific coast of Tohoku Earthquake

OKAMURA, Makoto<sup>1\*</sup>

<sup>1</sup>Kochi University

We need further preparing for large-scale earthquakes like a Nankai Earthquake in near future. We need more knowledge about living earth and searching ability for living ground. We need more efforts for long-term education and experience through passed to the next generation. Systematic efforts have been continued to know the historical earthquakes and geological records.
