We had summer course for school children and a symposium for the general citizen in Tagata Kannami Shizuika Prefecture (in the northern part of the Izu peninshla) on Aug. 20 and 21, 1999. After the event, we sent a questionnaire to participants by mail. Of the 22 participants, we recieved 14 replies;we will report those results. For more infomation, please refer to <http://sk01.ed.shizuoka.ac.jp/koyama/izu/index.html>.
