A Panel Discussion towards the Gender Equality in Geoscience.

Tomoko Arai[1]

[1] NIPR

We will have a free panel discussion on the gender equality in geoscience societies. The topic we talk are (1) equality in promotion; (2) social pressures and individuals; (3) family. The following researchers will participate the discussion.

Konya, Keiko (JAMSTEC)
Nakamura, Akiko (Kobe Univ.)
Nakamura, Ryosuke (AIST)
Obana, Yuki (Tokyo Univ.)
Takahashi, Yukihiro (Tohoku Univ.)
Yano, Hajime (ISAS/JAXA)

Comments and suggestions from the audience are highly welcomed.
