

## Present and Future of the International Earth Science Olympiad

# Yutaka Takigami[1]

[1] Kanto Gakuen Univ.

The 2nd International Earth Science Olympiad (IESO) will be held from Aug.31 to Sep. 6, in Philippine. We took a 1st selection at 16 March. We will introduce this selection, 2nd selection and a camp training.

We will also explain about the schedule of selection for the 3rd IESO. Moreover, we will tell about a plan of this olympiad in future.

The 2nd IESO (Philippine)
