MIS007-16

Room: 304

Time: May 25 09:45-10:00

A linkage between past and present in deep biosphere: biogeochemical processes in sub-seafloor

Yoshinori Takano^{1*}, Yasuhiko T. Yamaguchi², Naohiko Ohkouchi¹

¹Institute of Biogeosciences, JAMSTEC, ²Ocean Research Institute, Univ. Tokyo

No English abstract

Keywords: deep biosphere, linkage between past and present, biogeochemical processes, prokaryotic ecology, limit of life
