Sagamihara Seiryō High School of Kanagawa Prefecture performed the Science Partnership Project (SPP) in 2010, joined with JAMSTEC, Sagamihara City Museum and Kanagawa Prefectural Museum of Natural History. This project focuses on the "Geology of Local and Marine".

This report is the hope you'll try to focus on two things.

- Teaching practices with accreditation, in cooperation with research institutions
- Through the study, contribute to advanced science and the community

Keywords: SPP, Contribute to the community, Geology of Local and Marine
