## Development of a system for old seismological records using ZOOMA technology

Hiroshi Tsuruoka<sup>1\*</sup>, Kazushige Obara<sup>1</sup>

<sup>1</sup>ERI, The University of Tokyo

We digitized the old seismological records that are stored in WAKAYAMA Observatory of Earthquake Research Institute, applying ZOOMA technology. The digitized data are published at <http://www.eic.eri.u-tokyo.ac.jp/ZOOMA/WSO/>.

Keywords: old seismological record, zooma
