## Cases regarding the career formation of young researchers

TADOKORO, Hiroyasu<sup>1\*</sup> ; SATO, Yuka<sup>2</sup> ; SAKAGUCHI, Kaori<sup>3</sup> ; TERAMOTO, Mariko<sup>4</sup>

<sup>1</sup>Tokyo University of Technology, <sup>2</sup>National Institute of Polar Research, <sup>3</sup>National Institute of Information and Communications Technology, <sup>4</sup>Japan Aerospace Exploration Agency

Young researchers are facing difficulty in finding job opportunities.

We introduce cases regarding the career formation of young researchers, especially from the point of view of private universities.

Keywords: young researcher, job opportunity
