One of our presenters, Fushimi, stays at Kathmandu and he was there when the 2015 Nepal Earthquakes occurred.

He has taken several pictures of what happened there.

He has a blog where he frequently provides updates regarding his research on glaciers and his life in Nepal.

He has also uploaded the pictures of the 2015 Nepal Earthquakes and has described them.

Therefore, in this session, we want to present some of these pictures in a poster.
